Tariff of Charges for Mortgages

1 January 2024

Hinckley & Rugby Building Society charges mortgage applicants and borrowers for a variety of services and facilities relating to mortgage applications and to additional administration following completion of your loan. This leaflet provides you with a list of the fees and charges that will be charged to and be payable by applicants or borrowers in different situations.

Charges may also be payable for services other than those listed in this Tariff. If you request a service that is not listed in this Tariff, you will be informed of the charge applicable.

Charges payable in connection with new mortgage applications, additional borrowing applications and product switching applications, for example Arrangement fees, Completion fees, Product fees, Property Assessment fees and Early Repayment Charges, are detailed in Mortgage Product Key Features leaflets and in mortgage product details in the mortgage section of the Society's website, hrbs.co.uk

This Tariff will be revised from time to time. If we change any of our charges we will give you reasonable notice of the changes.

The Tariff of Mortgage Charges is also published on the Society's website, at hrbs.co.uk.

If you need any help in understanding any of the charges listed in this Tariff, please contact us on 01455 894099.

Charges for services or facilities requested by applicants and borrowers are payable at the time the service or facility is used. Unless otherwise stated, if charges are not paid at the time, these will be added to the mortgage balance and will attract interest charges until repaid to the Society.

For Consumer Credit Act loans, any unpaid charges are placed on the main mortgage account.
